

How to listen again to the Jenny Kendall-Tobias programme:

The JKT programme is available for four weeks after broadcast.

On your computer Google search for "BBC Radio Guernsey JKT", which will take you to Jenny's programme. Click on Episodes and then on the date to find the episode you want. Tattie is usually on between 11:00am and 12:00noon, so move the little square along the bar to that section of the programme.
